

## FALL/WINTER 2017

MONCLER GAMME BLEU reflects the synergy of Moncler's expertise in active sportswear and outerwear with the hand-made tailoring sensibility of Thom Browne.

The Fall/Winter 2017 collection is centered on the concept of mountaineering and hiking.

To emphasize this concept, many of the items are made in fabrics utilizing special techniques and detailing with mountaineering rope graphics and carabineer attachments. The silhouettes are designed with various layered proportions in mind. The collection includes quintessentially Thom Browne classically tailored pieces such as sport coats, Peacoats, Chesterfield coat, trench, capes, cardigan, polo shirts, trousers and shorts as well as mountaineering inspired silhouettes such as jumpsuit, oversized bomber jackets and hand-knit pieces. All with graphic rope details on fabrics such as wool jacquard bouclé, intarsia on fur or knit, printed wool, nylon, sequins and rubber and Harris tweed and rip stop and other technical fabrics mixes with wool suiting, such as wool flannel, cashmere, Shetland wool, wool tweed, Donegal wool. Additionally there are cotton corduroy, Mackintosh and cotton Cavalry twill.
